Institute Road, Kings Heath, Birmingham B14 7EG

NOR 1,224 including 228 in Sixth Form

HEAD OF COMPUTER SCIENCE AND ICT

Required for September 2019

TLR 2c

This is an excellent opportunity to join and lead a successful and forward-thinking Computer Science and ICT department with enthusiasm, team spirit and desire to succeed for our pupils. Bishop Challoner Catholic College is an extremely high performing designated Teaching School, with excellent GCSE and A Level results. GCSE results in 2018 for Computer Science were excellent with 85% of those entered achieving a grade 4-9, 30% of which achieved a grade 7 or higher.

The post would suit a teacher with a proven record of success together with experience in teaching computer science or ICT and some experience of leadership is desirable.

The successful candidate must be an excellent classroom practitioner and be able to teach across the full ability range at Key Stages 3 and 4, with Key Stage 5 experience highly desirable. The successful candidate will have the ability to engage, enthuse and motivate pupils of all abilities, be passionate about learning and able to demonstrate a range of behaviour management strategies and teaching skills.

Bishop Challoner is a very successful, high performing, heavily over-subscribed mixed 11-19 comprehensive school in the South of Birmingham. The school has recently applied to become one of 40 national Computing Hubs as part of the NCCE's wider commitment to outstanding computing education. If the application is successful, the new Head of Computer Science and ICT will be involved at the forefront of computing education nationally. In addition, our status of Teaching School is a measure of the high achievement of the school and its excellence in training and developing staff. This will allow exciting opportunities for any newly appointed member of the school.

Bishop Challoner is fully committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It has policies and procedures to ensure that this occurs. The successful applicant will be required to undertake an enhanced DBS check.
